

Chapter W is trying to stay active as a group during this cold winter. Some have fled to warmer parts of the country to get away, although this year even that's hard to do, many states are also having cold **weather**.

In January we had our, After-Christmas Christmas Party at St Michael, with I believe 25 coming out. We all had fun, good food and some fun games.

At our February Social, we had 21 people in attendance, a great turnout. Once again, we had a good time visiting and catching up with everyone. It was also good to see Scott Mattson come out tonight, we all are hoping for a fast recovery, hang in there Joy! (Scott too).

A few things we discussed were using name tags, newer people don't always know names and feel it would help, so will find some for people to use. **Bunco is on, March 13, at Don and Rita's house** who volunteered their house to hold it in. Final details at March meeting. Looking for another place to hold another **Bunco in April. Let us know if you'd like to volunteer your house.**

First Aid/ CPR classes were discussed, if enough are interested Joy said a class could be set up. More discussions and information at the meeting.

It was just fun to get together and visit with members. While we can't ride yet, meetings help us stay together. Won't be long and summer will be here. :)

Remember, **next meeting March 1st**, at Huiiko's in Buffalo. Till then, stay safe.
